

Winners Chosen in Canstruction Calgary Event

Feb. 25, 2006, Calgary – Calgary’s inaugural *canstruction* event has its first winners. Seven teams of engineers, architects, designers and builders competed yesterday in Calgary’s first *canstruction* competition. After lengthy deliberations, the judges have awarded the following honours:

Best Meal: Kasian Architecture Interior Design and Planning Ltd.
Title: “Can’t Bear Hunger—Bear Bin”

Best Use of Labels: AMEC Earth and Environmental
Title: “Made In Canada, eh?”

Structural Ingenuity: EarthTech Canada Ltd.
Title: “Bridge the Gap for Hunger”

Juror’s Pick: Suncor Energy Inc.
Title: “CANgary Tower”

The winners will now be judged internationally against *canstruction* winners from 50 other cities.

The media and the public are invited to view all the sculptures at ArtCentral (corner of 7th Avenue SW and Centre Street) until March 4th.
