

Media Release

For Immediate Release

February 23, 2011

True patriot love and designs compete for top prize! **Building begins on Oh CANada themed Canstruction®**

Calgary – Thousands of food cans and twelve teams with glowing hearts are ready to define Canada to see who will become the big winners at **Calgary's sixth annual Canstruction® charity event**. Highlighting the creativity and compassion of some of **Calgary's top engineers, designers, constructors and schools**, 12 teams will stretch the limits of their imaginations to build elaborate sculptures out of food cans to the theme "Oh CANada!"

Media and the public are encouraged to attend Build Day and watch as teams from far and wide create the structure that best defines our true north strong and free – Canada.

WHEN: Build Day – Thursday, February 24, 9:00am - 6:00pm

WHERE: Calgary City Hall, main lobby

WHY: To lift the spirits of those in need, raise public awareness, and collect thousands of pounds of food for the Calgary Food Bank

WHO: **Twelve teams of professionals** including top Calgary oil and gas, construction, and engineering firms, **and two school teams** will be joined by **cities** worldwide who will hold Canstruction® Competitions in the coming year.

Canstruction® sculptures will be judged Friday, February 25, and will remain on display until March 4.

Please check www.canstructioncalgary.com for more information and to view some of the amazing Canstruction® sculptures created in previous years.
